

Jeffersonville High School Winter Fantasy 2014

The Jeffersonville High School Band and Choral Departments will be collaborating again this season as they present Winter Fantasy 2014. This holiday spectacular will prove to be entertaining to all ages as it includes 300+ musicians on stage performing traditional carols, holiday standards and modern selections celebrating the winter season. An exuberant performance of G.F. Handel's *Hallelujah* will showcase

the musical talents and skills of our vocalists and instrumentalists. The stirring *Star of Wonder* will highlight the wonderful JHS Percussion Ensemble. Symphonic selections from the popular animated movie *Frozen* will be performed this year

to the excitement of our 2,400 GCCS Elementary and Middle School students who will attend the matinee performances this year.

The Winter Fantasy will be held in the Jeffersonville High School auditorium December 9 and 11 at 7:00 p.m. Cost is \$5.00 for adults at the door. Join the JHS Band and Choral Departments for this exciting musical celebration. It's sure to be a highlight in your holiday season!

Northaven Families Show PRIDE on Volunteer Day

Northaven Elementary families recently showed their PRIDE in a big way through a service event that resulted in more than \$1,100 in donations to benefit the J B Ogle Animal Shelter in Jeffersonville.

On November 22, Northaven families participated in a Family Service Volunteer Day which was sponsored by Disney Friends for Change and hosted by the Northaven Eagles. Family service opportunities included participating in the "Hoops for Hounds" event held at Northaven's school gym, in which families found sponsors to give a donated amount for each hoop they could score. Families worked as a team to see how many hoops they could score within a 3 minute time period. In keeping with the theme, participants made "Mutt Munchies" for the dogs at the shelter. Families also designed pet adoption posters to hang within the community in the hopes of raising awareness about the shelter animals' needs. The event was a tremendous success with several dozen dog biscuits taken to the shelter, 22 pet adoption posters created to bring community awareness, and more than \$1,100 in donations given to the shelter!

Shelter Director Sarah Green thanked the Northaven families for their efforts. She stated, "J.B. Ogle is very grateful for the opportunity to have partnered with Northaven Elementary. It is imperative as a community, that we educate young children on the importance of compassion, responsibility, and humane treatment in regards to animals. This has been a wonderful experience for us and we are looking forward to working with other Greater Clark County Schools in the future."

This event provided students, together with their families, a wonderful avenue for practicing the PRIDE skills of dependability, taking initiative, and demonstrating efficiency. These skills are points of emphasis for the district through its PBIS (Positive Behavior Intervention and Support) and CCR (College and Career Readiness) programs, that PRIDE be taught and positively reinforced at all schools in the district to help students develop the soft skills necessary for success in school and the business world. This event afforded students the opportunity to develop these skills in a real word context.

Important Dates

- December 6 - Donuts with Santa @ Pleasant Ridge Elem.
- December 10 - Band Concert @ New Washington M/H School
- December 13 - Breakfast with Santa @ Bridgepoint Elem.
- December 16 - Board of School Trustees Meeting @ Admin. Building

Keeping Your Child Healthy and In School

Clark Memorial Hospital and Clark Physician Group are collaborating with Greater Clark County Schools to provide limited health care services to students enrolled in the Greater Clark school system. The goal of this collaboration is to decrease student absences in an effort to enhance student achievement.

Services are provided free of charge and limited to those performed by a Nurse Practitioner, which may include diagnosis and treatment of minor illnesses. Additionally, medication may be administered and prescribed when appropriate. In the event that a health matter is beyond the scope of the services provided, a parent/guardian will be contacted to coordinate care with the student's primary care physician. Should you wish to receive this service, a written consent form and medical questionnaire must be signed by a parent or guardian and returned to the school's health office.

Nurse Practitioner Hours when school is in session:

Jeffersonville High School

Appointments scheduled 7:40 am - 2:00 pm

Charlestown High School

Appointments scheduled 8:40 am - 3:00 pm

Nurse Practitioner services are not intended to replace the student's primary care physician. Students are encouraged to see their primary care physician for routine preventative care, illnesses beyond those noted, chronic health conditions, and any follow-up care.

Greater Clark County Schools
BRIDGING EXCELLENCE & OPPORTUNITIES

Clark Memorial Hospital

Clark Physician Group

Our Vision: Greater Clark County Schools' vision is to become nationally recognized as a premier provider of education by serving as the bridge connecting stakeholders to ensure all students are college and career ready.

Our Mission: Greater Clark County Schools' mission is for stakeholders to give 100 percent effort in meeting the academic and behavioral needs of each student ensuring acceptance to a post-secondary opportunity.
